THE undersigned desire again to tender their thanks to their numerous cu-tom-ers for past favors, and advise them of the fact, that they are now receiving and opening at the Brick corner, a Large and Splend-id Stock of FALL AND WINTER DRY GOODS, consisting of every variety and quality, stitled to the wants of their customers and the community; which they piedge themselves to sell as low as they can be bought in this or any of the western markets. They will not boast, brag, or banter, but they do not intend to be excelled in quantity and quali-ty of their Goods, neither do they intend to be undersold.

And while inviting the attention of their

customers to the prospects which are about, they desire to remind them of the fact, that some of them are in the arrears-that "short settlements make long friends." That their Auction Notes, and long standing accounts should now be paid. And in view of the abundance of the crops, and means which pay up the old score, or at least settle by

note, and commence anew.
